Dreaming of becoming a film producer is Manaka Junpei. In his third year of junior high school, on the rooftop, he met a pretty girl with strawberry panties and had his heart stolen, and from there, got lost in a strawberry labyrinth of love... Wearing strawberry panties, the school's top idol was Nishino Tsukasa, and falling for her, Junpel confesses, and thus it came to be that they started dating. However, after that, the plain girl whom he had by chance been sharing his dreams with and vice versa, Toujo Aya, turned out to be the original strawberry panty girl, throwing things into turmoil! As the time for high school examinations approached, Tsukasa, feeling that Junpei's feelings were turning towards Aya, decided to go to Oumi Academy instead. In Izumizaka High, Junpei and a few friends formed the Film Studies Club Another member of Junpei's club, the straight-forwards girl Kitaooji Satsuki, suddenly confesses her feelings towards Junpei, and not wanting to drop the relationships he has with Tsukasa or Aya, he reached the point where his attitudes towards the three girls were ambiguous, until finally he broke up with Tsukasa. His one-year younger childhood friend who had moved out to the rural areas, Minamito Yui, was accepted to Oumi Academy, where Tsukasa was attending, moved in with Junpei to attend high school, and they begun a strange cohabilitation. Now in his second year of high school, Junpei has begun working part-time at a movie theater. And working at a nearby cake-shop was Tsukasa. They had both been working near to one another without realizing it, but...?

SPECIAL THANKS GOES TO CGOTEN FOR PROVIDING THE BOOKS FOR SCANNING, AND ED FOR PROOFING THIS VOLUME.

SADLY, THIS MIGHT BE THE LAST VOLUME DONE BY A-T.
SINCE OUR RELEASES ARE TOO LOW OF A QUALITY
COMPARED TO YANIME'S, CAUSE WE REALLY DON'T CARE ABOUT
SMALL ERRORS. SIMPLY BECAUSE WE JUST LIKE TO GET STUFF OUT
AS SOON AS POSSIBLE. SO ON THAT NOTE, FROM NOW
ON LOOK TOWARD YANIME FOR YOUR ICHIGO HIGH.
